Continuation of Substance of Interview including description of the general nature of what was discussed: Discussed cancelling claims 4 and 6 since, due to the dependency change in the amendment received 8/28/07, they are now identical to claims 3 and 5, respectively. Also discussed editorial changes in claim 8 to use the word "said" with respect to the "first inductor" and "second inductor" since they are previously recited in claim 1 as amended. The changes were agreed to via a subsequent phone call on August 31, 2007, and are being made by the accompanying Examiner's amendment.
